- F. CMAP- Mary Weber** - Weber shared information and updates for the CMAP Future Leaders in Planning Program. Applications are due June 20th, 2022. Details will be sent to PL (Porter) for distribution following the meeting.

### **III. WCGL UPDATES**

- A. STP-L 2022 Call for Projects Recommended Program Porter presented the proposed recommended STP-L FFY 2023-2027 program. The program presented at the meeting as stated was a newly revised recommended program and presented for the first time at the meeting. The program initially uploaded on WCGL website was over-programmed and had financial constraints and needed to be revised for accurate measures and programming. The new programming marks are included in the agenda packet. It has been removed from the website and can be disregarded as such as the new recommended program is presented. She received (1) question in regard to the mapping in program. Porter explained the program in depth and the explanation of each section and highlighted sections. All questions, comments or concerns referencing the recommended program can be answered following the transportation meeting. A finalized recommended program will be posted on the WCGL website within the next week.

### **IV. OTHER BUSINESS**
