**G. CMAP- Russell Pietrowiak**

The next long range transportation plan launch event is commingling up. SRTS, CMAQ and STP are all spending a lot of money in this FY. Please continue to communicate project updates to WCGL staff.

**III. WCGL UPDATE**

STP Regional fund update. In the next STP PSC meeting there will be an approved application booklet. As of right now the estimate is \$40 million per year for the regional fund. We have decided to award our council bonus points through a subcommittee made up of people who did not apply to the shared fund. This group will decide how many points and how many projects will get points. Our next step is to look at our local methodology and prepare it for our January 2020 call. We will start amending our local methodology in early 2019.

**IV. OTHER BUSINESS**

No Report.
